

Abdullah Haadi Hakami Fisheries Institution

Profile

About Institution

We are an institution based in Jeddah/Saudi Arabia. We import seafood from companies that have accreditation from the Saudi Food and Drug Authority and provide high quality that satisfies the taste of the Saudi market.

We aspire to meet the Saudi market's need for seafood and have a good relations all over the world

Partnership

We work closely with exporters, companies, restaurants and stores. We focus on trusting and supporting each other to share common benefits.

The world has become a small village.
Let's trust each other and cooperate.

Jeddah

Our Products

We import these types of seafood and display them in the Saudi market
